RESPONSE TO OFFICIAL ACTION

This is in response to the official action mailed April 20, 2005. With this response is a disclosure statement, disclosing six patents and a U.S. published application which were not previously of record and also listing and sending a drawing of an item previously disclosed in the background of the invention, the Expedition shirt which was marketed previous to the filing of this patent application and which constitutes prior art. The shirt is described at page 2 of the specification, lines 1-10.

Note that many of the patents included in the disclosure statement now submitted were listed in an electronically-
